fit is in fown after managing to nose out Petersburg yesterday by a score of 3 to 2. The Goobers, therefore, split even on the series, winning one and losing one. Hank says that Heinie Busch has a real ball club, and that the team in the Virginia League which beats the Goobers is going to come mighty near winning the pennant. He is more than pleased with his ball ma-chine and figures that any club winning from him is going some.

Sullivan had his crew out yesterday

the infield play. Special attention was given to handling all plays around second base, and the way Truck Egan limbered up was a pleasure to be-hold. He is now in the can come back class and getting more life every min-ute. If he shows anything like the form to-day which he did yesterday in practice the heart of the fan will e gladdened.

Batting practice and signal drill was also a part of the day's routine. Sulli-van is anxious to develop a team of stickers. He realizes that hitting will win games and that's why he is paying so much attention to that particular department. Mattis, getting along and he is less given to the habit of stepping away from the plate now than he has

Bob Pender has made up his mind Sullivan had his crew out yesterday for some work along lines calculated to add a little to the smoothness of is right. On the whole, he has um-pired good hall games and there is no excuse for the actions of a large part of the crowd present at the game in plaming everything on him.

Washington licked Boston again; New York whipped the Athletics; De-troit took the measure of the White socks, and Cleveland lost to St. Louis. Looks goed to read about it now that the race is on.

Harvey Bussey has been given his release outright by McAleer. This is not at all surprising as Harvey is getting along in years and could hardly hope to keep up the pace set in the big show. Rumor has it that he will land with Jordan's Atlanta team in the Southern League.

Dave Bunting also got his notice. It is said that Bradley tried for Joth of these players, but that the price wanted for Bunting and the salaries asked by the men made it impossible.

Exciting Toronto Wins from Lynchburg Altoona Game by Score of 3 to 2

New York at Philadelphia,

[Special to The Times-Dispatch.] Petersburg? Va., April 13,—night nundred fans saw Petersburg defeated and exciting game.

Petersburg looked like a sure winner at first, as at the end of the third inning the score stood 2 to 0 in favor of the home team, but when Altoona's first half of the fourth was over the lead had been taken away from the Goobers, and Altoona had brought three men over the home plate.

The remainder of the game was a

plendid exhibition of ball playing by both teams. Only once did a runner on either side get as far as third base. Fast and phenomenal fielding by the infielders and outfielders cut off everything that looked like a hit, and spoil-
